Top Tips for people using the bus

Plan ahead the day before

- Tell your staff if you need to get up early
- Set an alarm to get up on time
- Make sure you have some spare money
- Make sure you have a back-up plan. For example, phone someone for help
- If you have a problem, talk to the bus driver

Remember you can only use your bus pass between 9.30am and 11pm. This means you will need money any other time. You can use your bus pass at anytime at weekends and Bank Holidays.

- If you have a mobile phone have it charged and credit on it so you can phone for help if needed. For example, if the bus is late or the route is changed whilst you are on it
- Make sure you have your Travel Trainer Guide with you
- Make sure you take and use your bus pass
- Dress for the weather. Bring a jacket if you are going to be back late and it might be cold
